Service tip: We recommend leaving your vehicle in Switzerland, transferring to the ferry and using the BSB-Combination ticket. The advantage: no traffic on the ferry or in Friedrichshafen, no searching for parking, no waiting at the ticket counter (not available for every exhibition).

In Friedrichshafen simply follow the signs **Messe**.
Service tip: Some Navigation Systems do not yet know the street name "Neue Messe 1" - in this case please use "Allmannsweiler Strasse 132".
